TigerWindowFashions

Designer Sample Cases. Designed For Your Lifestyle.

Tiger Window Fashions Sample cases are designed to provide you with the necessary tools and information to design shades with ease. With the introduction of our New Trevi® Roman Shade Collection to supplement our already popular Roller Shade offerings, you now have more choices in Shade Styles and Operating Systems; including the new Soft Lift® Cordless system, and more choices in top treatments and hardware finishes than ever! Tiger Window Fashions has the options, you now have more choices.

Hardware System Sample Case & Color Guide

Fabric Swatch Decks

The Tiger swatch deck family represents the full line of current fabric offerings for each of our lines of window shades. Each individual swatch card is clearly labeled and is easily removable from the deck for convenient comparison between fabric choices.

Information & Mounting Guides

All TWF sample cases include pull-out product information guides, clear acrylic mounting templates with profiles of all available hardware and a hanger you can easily affix to a window to view and compare the fabrics light filtering capabilities. Also included in the Roller Shade sample case is a Solar Fabric Openness Guide and a Zebra Shade working sample.

Hardware Color Guide

The hardware System Color Guide sample case contains actual hardware samples and color chips for each operating system as well as a complete chart showing available color choices for each.
